

Support TCGHS when shopping at Kroger!

Kroger will make a donation to the society every time you shop using your Kroger Plus card. All you have to do is enroll Tazewell County Genealogical & Historical Society as the organization you wish to support with your purchases. Then just shop at Kroger and swipe your Plus card or enter your alternate-ID when you check-out.

If you don't already have a Kroger Plus card, you can ask for one at the service desk of any Kroger store. Or, you can set up your phone number as a "Digital Plus Card" when you create a Kroger digital account at their website following the directions below. Then enter your phone number as an alternate-ID at the checkout keypad.

A digital (online) account is needed to participate in the Kroger Community Rewards program. If you already have an online Kroger account, please skip to the section titled "How do I select an Organization?"

How do I register for a Digital Account?

Creating a digital (online) account is as simple as 1, 2, 3! Simply visit [Kroger.com](https://www.kroger.com) or download the Kroger Mobile App from the App Store or Google Play, and follow these directions:

1. Select the "Register" button.
2. Enter your information.
3. Select "Create Account."

Please make sure that you add your Plus Card number or create a Digital Plus Card number while setting up your digital account. This is a requirement to participate in the Community Rewards program.

How do I select an Organization?

Selecting TCGHS as the organization that you wish to support is as simple as updating the Community Rewards section of your digital account.

1. Sign in to your digital (online) account.
2. Go to your account page by clicking either your name or "My Account" (in the upper right corner).
3. Scroll down to the "Community Rewards" section of your account page.
4. Select "Enroll Now" or "Edit."
5. When prompted to "Find Your Organization", enter the organization number for TCGHS - **55117**
6. Select Tazewell County Genealogical & Historical Society from the list and click "Enroll."

TCGHS should now display in the Community Rewards section of your digital account.

Any future transactions using the Plus Card number associated with your account will be applied to TCGHS. It takes about 10 days for your Community Rewards to begin displaying at the bottom of your receipts.

Do I ever need to renew TCGHS as my selected organization?

You must reenroll TCGHS as your selected organization once a year, during the month of August. Simply follow the instructions in the "How do I select an Organization" section to maintain your enrollment. Some folks have reported losing their enrollment, so you might want to occasionally verify TCGHS still shows in the Community Rewards section of your digital account.
